ABOUT US

Based on the positive experience and achieved business results in the past period, in order to realize more ambitious goals and create an ambience for even more successful business relations with existing and new business partners, EKOLUKA KEY LTD. with special pleasure presents a new catalog of products in the field of rolling shutters from our commercial offer.

By selecting renowned manufacturers with whom we have long-term and successful business cooperation, we are able to offer on market a continuous and stable supply of a wide range of products whose quality and affordable prices meet strict market criteria.

Over the years EKOLUKA KEY LTD., has gained the trust of a large number of customers, which has enabled us to build a recognizable and well-accepted image on the market and become one of the leading suppliers of aluminum and PVC slats, aluminum and PVC profiles, aluminum and PVC boxes, tubular motors, raw materials for roll-up, plisse and fixed insect screens as well as other accompanying equipment and accessories.

A large number of existing customers and business partners through many years of successful commercial cooperation with the company EKOLUKA KEY LTD., was introduced to our business policy, which is primarily reflected in constant improvement, fostering good business relationships with customers and innovative introduction of new products in accordance with the strict requirements of the market.

Attention of the complete EKOLUKA KEY LTD. team is focused on the maximum satisfaction of the requirements of our customers, achieving the highest possible quality of the products we sell, providing favorable prices, constant expansion of the product range, continuity and stability in supply.

EKOLUKA KEY LTD. wants to believe that this catalog, which is primarily intended for customers, can certainly contribute to even better business cooperation, achieving even better results and higher common business goals.

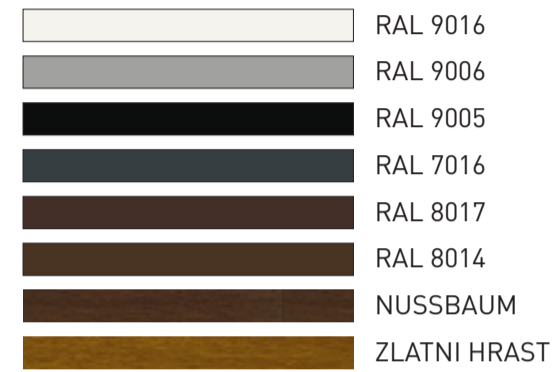

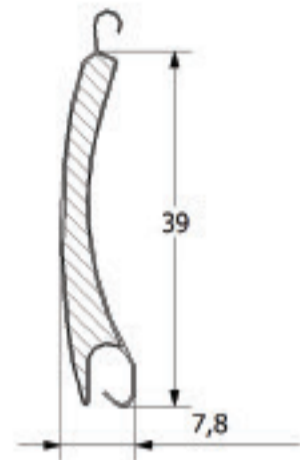

Your,
EKOLUKA KEY LTD. team
